Institution: University of Miami School Of Medicine
Location: Miami, FL

Research/Outcomes Research

Director, Health Services Research Center
University of Miami-Humana Health Services Research Center

The University Of Miami-Humana Health Services Research Center is seeking candidates for the position of Director. The Director should have an extensive record of publications in the field, demonstrated ability to compete for peer reviewed research grants, and posses leadership capabilities to bring the Center to national prominence in the health services and outcomes research arena. He/She will serve as the Center's public voice and be responsible for fulfilling its mission, including the planning and coordination of research activities. The Director will have a history of successfully leading multidisciplinary collaborative teams, and displayed success recruiting and mentoring talented researchers and staff. Qualified candidates will also have demonstrated the ability to develop curriculum and teach, and hold a doctorate in an appropriate field (Medicine, Public Health, Epidemiology, Health Economics, etc.). Candidates must qualify for academic rank of associate or full professor at the University Of Miami. The University of Miami is an equal opportunity - affirmative action employer. Interested applicants should fax or email a letter of interest and curriculum vitae to Clyde McCoy, PhD, Professor and Chair, Epidemiology and Public Health, University of Miami School of Medicine 305-243-3353 or cmccoy@med.miami.edu.
